Dear Mr. LeVines:

This letter responds to your correspondence dated May 15, 2013. In a March 7, 2013 FOIL request, you sought:

Any documents, spreadsheets and memos relating to travel expenses for the Governor.

By letter dated March 22, 2013, the Executive Chamber informed you that it had conducted a diligent search, but did not possess records responsive to your request.

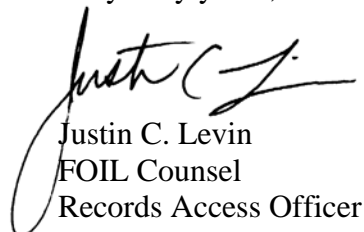

In your May 15, 2013 correspondence, you asked the Executive Chamber to advise you “where I might better submit my request or how I might better phrase the request to acquire documents relating to the governor’s travels.”

Pursuant to Public Officers Law § 89(3)(a), I certify that the Executive Chamber does not possess records responsive to your original request. In addition, the Executive Chamber does not believe that any clarification would uncover any responsive documents.

Your May 15 correspondence references “documents relating to the governor’s travels,” as opposed to “documents, spreadsheets and memos relating to travel expenses for the Governor.” Records “relating to the governor’s travels” are available on the Governor’s website at the following web address: <http://governor.ny.gov/citizenconnects/?q=content/past-schedule>.

Thank you for your courtesy in this matter.

Very truly yours,

Justin C. Levin
